Name: Last four digits of SSN: XXX-XX-
(Optional unless requesting CEUs)

School Name:

School Phone: School Fax:

School Email:

Home Address:

Home Phone: Home Fax:
Street Town State Zip Code

Home Email:

(only used if school e-mail address does not accept our e-mail correspondence)

The workshops offered below are for schools getting BioBus visits (note that BioConnection is a separate program with separate workshops). Please check the workshop(s) that you are interested in attending. Then, check the experiment(s) you are interested in (for planning purposes only, you will be trained in all experiments listed for that day). For more info on each experiment please visit www.ctbiobus.org .

236-08-248-004: Thurs. May 8th, 2008 BioBus Electrophoresis Experiments (Grades 4-12):

- Art of Forgery (Art Caper)
Mystery of the Crooked Cell (Sickle Cell Anemia Diagnosis)
Cold Stone Caper (DNA Fingerprinting)

236-08-248-005: Fri. May 9th, 2008 BioBus Advanced Experiments (Grades 8-12):

- A Twist of Lyme (ELISA)
Hunting the Immune Villain (ELISA)
GMOs (PCR)
Glowing from Permutation (Bacterial transformation)

If you have been notified that you are receiving a BioBus visit during the 2008/2009 school year, you must have updated training in the experiments you choose for your BioBus visit. Training is good for 2 years. If you have been trained previously, please contact a staff member to confirm that your training is up to date. Once we receive your registration form, you will be sent an email confirming that we have your form. If you do not receive a confirmation email, it is up to you to check with a staff member to confirm registration.

Please mail or fax this registration form back to Kerry Donahue no later than April 18th, 2008.
